

Welcome to the APICS Providence Chapter!

The Providence Chapter of APICS offers monthly professional development meetings, educational workshops and seminars, certification programs, a job bank, and newsletters. Individuals participating in Chapter activities find ample opportunities to enhance their skills and network with other people involved in production and inventory control, materials and resource management.

The APICS Providence Chapter Continues Platinum!

Chapter Management Excellence is an integral component of enhancing the member experience. Successful APICS chapters provide their members with opportunities for stellar education, career development, and networking. The APICS Chapter Benchmarking and Recognition (CBAR) program recognizes chapters that have exceeded minimum standards and exemplify excellence in overall chapter management. We are proud to announce the APICS Providence Chapter received the 2020 CBAR

Platinum Award designation, an admirable accomplishment for an APICS chapter.

As a member of an APICS Platinum Award Winning Chapter, the CBAR designation signifies your chapter's commitment to providing an exceptional membership experience.
